

**David Barlow**  
**Vermont League of Cities & Towns Representative**  
**Appointed: May 2024**  
**David.Barlow@partner.vermont.gov**

David has been the treasurer of the Town of Coventry since 2019. In this position, he is responsible for all the normal municipal treasurer duties including payroll and human resources, as well as Coventry's municipal investment fund. As the host of Vermont's only operating landfill, the Town of Coventry receives substantial host fees from the landfill operator. The Town's voters have chosen to invest much of this wealth towards offsetting future municipal taxes when the landfill closes. David is also a retired Army soldier, having served 30 years on active duty. During that time, he was assigned all over the globe, leading organizations in positions of increasing responsibility. While his formal education is not in finance, he does have a thorough background in math and statistics, holding engineering degrees from Worcester Polytechnic Institute and the Georgia Institute of Technology. He also holds a Masters of Strategic Studies from the U.S. Army War College.
